DEPARTMENT OF COMPUTER SCIENCE

REPORT ON GUEST LECTURE ON "TRENDS AND OPPORTUNITIES IN CLOUD TECHNOLOGY & INFORMATION SECURITY"

Department of Computer Science of Prerna College of Commerce, Nagpur organized a Webinar on **"Trends and Opportunities in Cloud Technology & Information Security"** on 4th February, 2021 at 11.00 AM on Google Meet for all the final year students of BCA and B.sc (IT). The main objective of the programme is how to meet out the need as well as future challenge of Cloud Technology & Information Security in Computer Science.

Mr. Anil Tatode, Training Officer, Department of Robotics & Cloud Technology, RTMNU was key speaker of the webinar. Dr. U. A. Lanjewar, Principal welcomed the guest and also guided the students. Total 74 students were present.

In his informative webinar, He spoke on basics of Cloud Technology and Information Security. He also told students why many companies are switching towards cloud technology. He mentioned about types of cloud computing and different software's which will help students to work on cloud and demonstrated working on "Amazon Web services" an online platform to work on cloud. He made his session interesting and interactive by asking questions to students on latest IT technologies.
The Major Benefits of the talks was provided opportunity to the students and faculty members to know about latest developments, emerging trends in the field of Cloud Computing and Students saw demonstration of working on Amazon Web Services, one of the best cloud service providers.

All students attended the program enthusiastically and were benefitted. Total 74 students were present for the program. The program was concluded by a vote of thanks proposed by Mahesh Yelkar, Training Coordinator, RTMNU's Department of Robotics & Cloud Technology.
