## **Report On**

### **One Day e-Symposium on Role of Information Technology During and Post COVID-19**

Department of Computer Science And Department of Computer Application of Prerna College of Commerce jointly organized one day-Symposium on **“Role of Information Technology During and Post COVID-19”** on 10<sup>th</sup> July 2020 from 9.30 am to 11.15am.

The registration was made available online and total 169 participants from BCA, B. Sc. IT and BCCA 2<sup>nd</sup> year and 3<sup>rd</sup> year students got themselves registered and 13 students got registered as a speaker in symposium. The introductory session was held by Dr. Liladhar Rewatkar, Assistant Professor&coordinator of the program.The inauguration of the symposium was done by Dr. S C Gulhane, Secretary, Prerna Sewa Mandal. The purpose of event was to bring an awareness among the participants about importance of information technology in various field during this pandemic.

In this event, students mainly focus on role of IT in healthcare sector through timely access to correctly disaggregated data, proper integration of national and local systems, digital health, and the application of widely used information and communication technologies (ICTs)—facilitate the effective identification, reporting, and analysis of cases and contacts; early search for and detection of cases; and identification and monitoring of at-risk populations, cases, and contacts.

Also students put focused on how a host of undercurrent new technologies such as IOT, RPA, AI/ML, Robotics, Cloud, Edge Computing, Drones, and autonomous vehicles, if given the right thrust, can disrupt the way we work today and potentially (almost) disintermediate human physical presence. This year and in the near future, these technology interventions will be in the Industries' crosshair more than ever.

The program was compeered by Ms. Bhagyashree Tijare and the vote of thanks was proposed by Ms. Priyanka Chandawar.

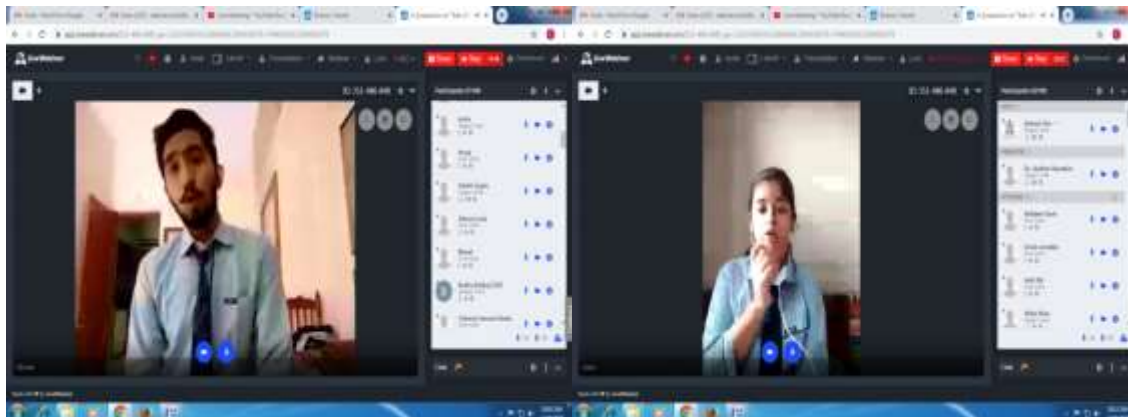

Mr. Ashish Gupta and technical team worked hard to make the symposium grand success.
