Report on Seminar on 'Security and Privacy in Network'

The Computer Science Department of Prerna College of Commerce organized a guest lecture on **"Security and Privacy in Network"** on 5th February, 2020 from 11.00 am to 12.00 pm. The main objective of the programme was to aware students to maintain the security and privacy over networks, The primary goal of network security are Confidentiality, Integrity, and Availability.

There was a huge enthusiasm among the teachers and the students for the programme. A well renowned and eminent personality, Dr. Prajakta Dhote, who works as a Assistant Professor in City Premier College was the chief guest. She was warmly welcomed by the Principal of Prerna College of Commerce, Dr. Bharti Deshmukh. The compering for the event was done by the student of BCA-II Ms Sakshi Shirke.

The chief guest expressed her thoughts passionately on the topic and shared concern, she also quoted that the Network Security and Privacy Liability which is known as cyber liabilities, protects the Insured against losses for the failure to protect a users personally identifiable information via theft, unauthorized access, viruses, or denial of service attack. She further explained that Network security is a broad term that covers a multitude of technologies, devices and processes.

Dr. Prajakta Dhote was felicitated by presenting her a token of gratitude for sparing her precious time on this occasion. Ms. Bhagyashree Tijare, Ms Neha Samundre, Ms. Reena Urkande, Ms. Neha Choudhari, Ms. Chetna Bhoyar and non-faculty staff members worked efficiently to make the session a grand success. The session concluded with the vote of thanks given by the student of BCA-I Ms. Ishita Zade. About 137 students were present on this occasion.
