### **Achieving Professional Excellence (APEX) Inner Engineering**

Prerna College of Commerce organized a talk on 'Achieving Professional Excellence (APEX) Inner Engineering' on the 6th of March, 2020. The duration of the talk was from 11:00 A.M to 1:00 P.M. The main objective behind organizing the talk was to familiarize the students with the emerging ideas and trends on how to achieve professional excellence by channeling their inner engineering with respect to the 21st century context.

On this occasion, Dr. Firdos Shroff, who is one of the most popular film actors, Boman Irani's younger brother, an internationally well-known Management Guru, who has played significant and memorable roles in the movies like Mission Mangal, Ferariki Sawari, Andadhund, Kem Chho Namkin, Naika and also the recipient of Best Actor World Excellence Icon Award of the year 2020 was the Chief Guest. Shri. Ashok Gedam, Retired Additional Collector was the Guest of Honor.

Initially Dr. Pravin Joshi, Director, Prerna College of Commerce, welcomed and introduced the Guest of Honor and the Chief Guest, Dr. Firdoss Shroff and Ashok Gedam respectively. Dr. Firdoss Shroff delivered a motivational talk and appealed to the students to give more significance to the present than the past or the future. He talked on various topics ranging from art of giving, importance of communication, time management and moral values. He also emphasized on the importance of self learning, self development, to work more than others, expect less than others and learn more than others. On a parting note, he bestowed a valuable mantra of following Three G's: good thoughts, good words, and good deeds for the students to implement in their life to enrich it. Shri. Ashok Gedam, in a few words, exhorted the students to work hard as they themselves are the makers and shapers of their lives.

The program was compered by Ms. Shweta Mankar and Ms. Priyanka Chandawar proposed a vote of thanks. Prominently present on the occasion were Dr. Bharati Deshmukh, Officiating Principal, Dr. Shivani Katakwar HOD of Commerce, Dr. Liladhar Revatkar, Dr. Debasis Das, Dr. Manjiri Pathak, Mr. Rahul Kharwade and Ms. Sampada Mashirkar and all the faculty members worked hard to make the program successful. Total 90 students were present at the event.
