

PRERNA COLLEGE OF COMMERCE

REPORT ON

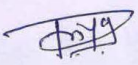

“Implementation of National Education Policy through Knowledge Center Initiative”

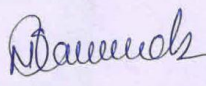

Departments of Computer Application and Computer Science of Prerna College of Commerce have virtually organized the webinar on “Implementation of National Education Policy through Knowledge Center Initiative” on Wednesday, 11th November 2020 from 11:00 AM onwards in Hall 2. The main objective of this programme was to aware students about the latest education policy introduced by the government.

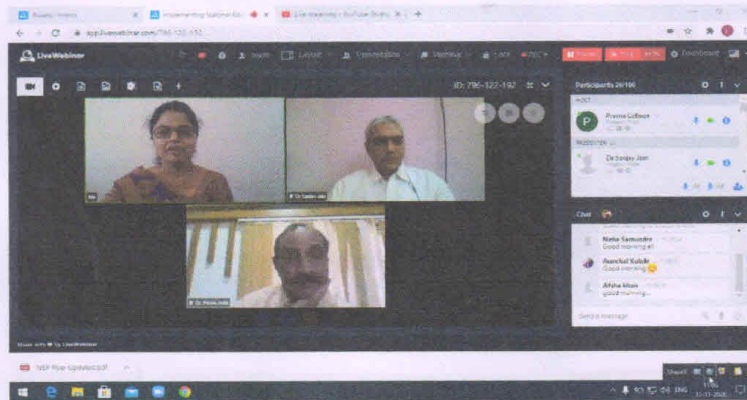

A well renowned and eminent personality Dr. Sanjay Jain, who is working as Head, Knowledge Center and Professor and Head, Department of Applied Physics, Priyadarshini Institute of Engineering and Technology, Nagpur. He was warmly welcomed by the director of Prerna College of Commerce, Dr. Pravin Joshi by the welcome speech. The compering of the event was done by Ms. Priyanka Chandawar, Assistant Professor, Computer Science Department, Prerna College of Commerce.

The chief guest expressed his views and shared his concern, he elaborated that with the help of NEP students can enjoy learning and can expand their knowledge. With this we can increase our learning skills. With the help of NEP one is able to gain the knowledge about different streams at the same time he/she is studding in the different stream. The National Education Policy lets the students enable to study with the new perspective of teaching aids. With the help of images and videos the students are able to enjoy and remember the data more efficiently. He also quoted theta the knowledge center provides all the facilities and uses the criteria's introduced by the government.

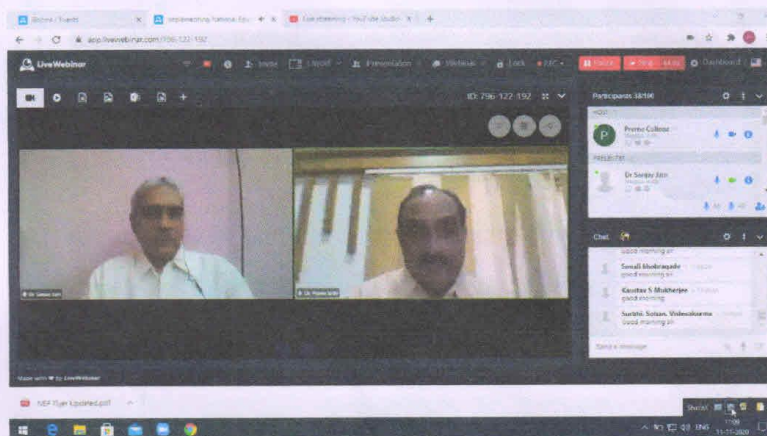

The session concluded with the vote of thanks given by Ms. Neha Samundre, Assistant Professor, Computer Science Department. About 538 students attended the program through Live webinar. The technical staff worked hard to make this session a huge success.
