

A Report on World Aids Day

Committee: NSS Unit and National International Day Celebration Committee

Title of the program: A webinar on 'AIDS AWARENESS'

Speakers/Guests:

1) Dr Bharti Deshmukh (co-ordinator, Department of Computer Application Prerna College of Commerce)

Chairman: Dr. Pravin Joshi (Director, Prerna College of Commerce).

Date and Time: - 01/12/2021

10:30 am to 11.30 am

Objectives:

1. To make students aware about the causes and effects of AIDS.
2. To explain the students about necessary precautions to be taken against AIDS.
3. To spread awareness in society about seriousness of the disease and effective measures that can be taken.
4. To enhance earlier referral to prevention, care, treatment and support for persons newly identified as being HIV positive
5. To limit unwarranted testing and unnecessary use of personnel and resources.

Highlights:

1. Ms. Afsha Khan Asst. Professor Prerna College of Commerce welcomed and introduced the speakers of the program.
2. Dr. Pravin Joshi made an introductory remark on specialization of the speaker.
3. Dr. Bharti Deshmukh explained about how AIDS seriously affect the immune system and causes life threatening infections or conditions including malignancies.
4. She also illustrated that the body fluids like blood, semen, vaginal fluid, breast milk acts as a medium through which HIV spreads.
5. She told that, Aids was first observed more than 30 years ago and then measures to prevent and treat HIV was progressed.
6. Also a case study related to HIV was beautifully presented by the speaker In which she told that HIV medicines are available to help people with HIV live long, healthy lives and prevent HIV transmission.
6. She told that HIV is still a major global health problem. In 2009, globally there were an estimated 2.6 million (2.3 million–2.8 million) incident cases of HIV.
- 7.. At the end, Ms Reena Urkande proposed a vote of thanks and concluded the session.

Outcomes:

1. Students gained knowledge on serious hazards of AIDS and how one can prevent oneself from getting infected.
2. They also understood what precautions can be taken against AIDS.

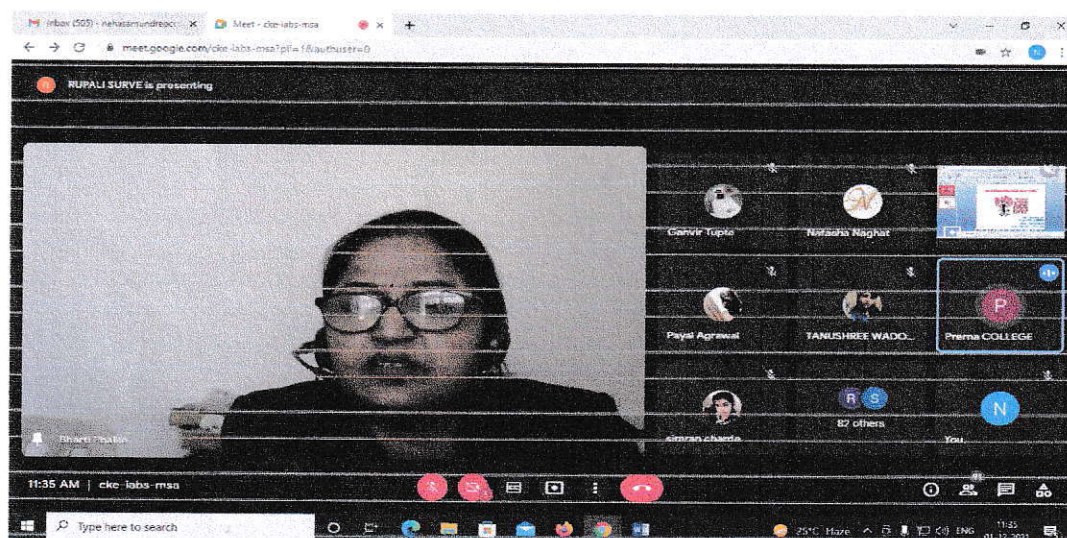

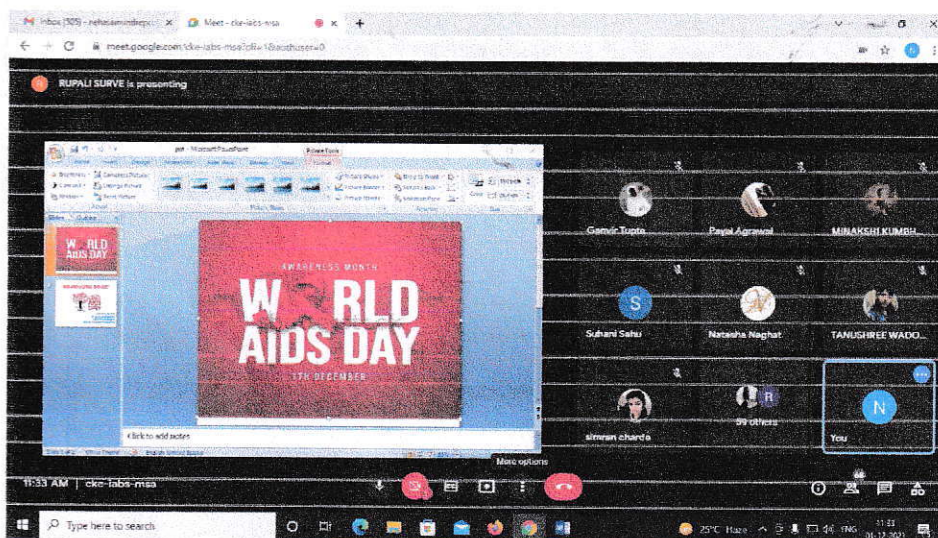

3. Students learnt about all evil effects caused due to AIDS and different ways of HIV transmission.

No. Of Beneficiaries: 70 Students.

Anchoring by: Ms. Afsha Khan

Vote of Thanks by: Ms Reena Urkande
