A comprehensive action plan was designed to invite resource persons from various Departments such as Administrative, Horticulture, Health, Agriculture, etc.

## 2. INTRODUCTION

Camps provide a sound environment for youth to be active, to develop competence in life skills, to learn about and enhance their abilities to serve community.

### OBJECTIVES OF EVENT:

- (i) Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of college students by bringing them face to face with the community situation.
- (ii) To provide opportunities to students to play their due roles in the implementation of various development programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas, but also result in improvement of the condition of weaker sections of the communities.
- (iii) Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community.
- (iv) Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods.
