

REPORT ON 'Phalaria Awareness Program'

Prerna College of Commerce recently invited the officers from the Health Department of Nagpur Municipal Corporation to bring the awareness about the deadly disease called Phalaria which is caused after the bite of the mosquitoes of one particular disease. Mr Anand Meshram and Mr Prashant Tomaskar, Supervisor, NMC, Hanuman Nagar Zone, Nagpur, had come from the health department from the Nagpur Municipal Corporation and explained to the audience how the disease spread and what measures to be taken in order to prevent being the victim of this disease. The municipal officers also explained as to how the doses in the form of tablets should be taken by everybody on yearly basis for continuous 5 years to prevent ourselves from being victimized by the disease. Many of the members of the audience took the preventive doses of phalaria on spot and appealed to the authorities visit the college every year and provide the preventive doses to all the staff members. The compering of the program was done by the coordinator Ms Neha Samundre and the vote of thanks was proposed by Ms Afsha Khan. Dr Ashish Gupta, Dr Bharti Deshmukh, Dr Manjiri Pathak and Mr Swapnil Deogade were prominently present on the occasion. Ms Sakshi Shivhare, Ms Dipawali Randive and Mr Ajay Nanwatkar worked hard for the success of the event.
