- A seminar on career planning was conducted on 28th February, 2025 for college students to help them make informed career choices. The event was organized by department of Computer Science and attended by students from various disciplines.
- The seminar included Q&A sessions where students asked questions regarding career choices, job search strategies, and further education opportunities.
- The seminar was highly informative and beneficial for students, equipping them with valuable knowledge and strategies for career planning.
- The resource person discussed about Importance of self-assessment, Identifying strengths and interests, Setting short-term and long-term career goals, Writing an effective resume, Common interview questions and techniques, Importance of internships and networking
- Feedback from participants was overwhelmingly positive, with many expressing appreciation for the insights shared.
- It was recommended that similar sessions be conducted regularly to continue supporting students in their career journeys.
- The event successfully achieved its objective of guiding students towards a well-planned and informed career path.

Outcomes:

- Increased awareness among students about various career paths and opportunities.
- Enhanced understanding of industry trends and skill requirements.
- Improved confidence in resume writing and interview techniques.
- Greater interest in entrepreneurship and self-employment opportunities.
- Establishment of professional connections through networking sessions.
- Encouragement for students to seek internships and mentorship for career growth.

Number of Beneficiaries:

35 Students
