DEPARTMENT OF COMPUTER SCIENCE

REPORT ON GUEST LECTURE ON "VIRTUAL INSTRUMENTATION"

Department of Computer Science of Prerna College of Commerce, Nagpur organized a Guest Lecture on **"Virtual Instrumentation"** on 21st September, 2019 at 10.00 AM in Hall-2 for all the students of BCA and B.sc (IT). The main objective of the programme is how to meet out the need as well as future challenge of virtual instrumentation in Computer Science.

Dr. Bhaskar Kathane, Head of the Computer Science Department, Bhawbhuti College, Amgaon was key speaker of the program. Dr. Anushri Mahajan, Officiating Principal and Dr. Debasis Das, HOD of Department of Computer Science presided over the function.

Dr. Anushree Mahajan, Officiating Principal welcomed the guest with a sampling and Dr. Debasis Das introduced the Guest Speaker by his introductory speech and also guided the students. All the staff members were prominently present on this occasion. Ms. Antra Acharya, student of BCA-I compeered the program.

Dr. Bhaskar Kathane imparts knowledge on Virtual Instrumentation through a PPT Presentation. He explained about what is the Virtual Instrumentation, what its uses and its importance in the real life. He also explained how we can build different virtual Lab software using different programming language like, Visual basic etc.

All students attended the program enthusiastically and were benefitted. Total 120 students were present for the program. The program was concluded by a vote of thanks proposed by Mr. Akash Wankede, student of BCA-I.

Dr. Debasis Das
