### Highlights:

1. Dr. Bharti Deshmukh welcomed guest and resource person Ms. Shweta Bhandari Co-Founder & Director Vikalp Foundation, Nagpur.
2. Ms. Shweta Bhandari in the seminar said that personality development is necessary for everyone not only for employability but also for real life.
3. He also explained that why Personality development is so important to improve one's performance as a student as well as employee.
4. He also explained that Personality development is a process of enhancing and improving various aspects of one's character, behavior, and communication skills to become more effective and successful in personal and professional life.

### Outcomes:

- The students will developed a stronger belief in their abilities, leading to greater self-assurance in social, academic, and professional settings. This can result in improved public speaking, decision-making, and the ability to handle challenges more effectively.
- The students will learnt how to express themselves more clearly, confidently, and persuasively.
- A personality development seminar typically helped students for better understand and manage their own emotions while developing empathy toward others.
- With a more positive attitude and enhanced self-discipline, participants will be able to set and achieve both short-term and long-term goals.
- The students got greater confidence in tackling challenges and the ability to think on one's feet in dynamic situations.
