## When is 'GH' silent?

Silent GH: There are two rules for silent GH.

Rule 1: GH is not pronounced when it comes after a vowel.

- Examples: thought, drought, through, thorough, bough, daughter, light, might, sigh, right, fight, weigh, weight
- Exceptions to this rule are seen most often in compound words: Doghouse, foghorn, bighead

Rule 2: GH is sometimes pronounced like F- Rough, tough, laugh

## More examples!!

Likewise, there are some nouns beginning with a vowel that make a consonant sound.

In these cases, the indefinite article *a* should be used.

a university

a university

a one-eyed pirate

a one-eyed pirate

a MA,  
a BA,  
a LLB  
a BSC, etc.

When "u" makes the same sound as the "y"

o makes the same sound as "w" in "one."
