Quality Policies of the College

The college policy is to give useful and value-based education to everyone with the right support, facilities, and environment. We will keep improving our services, set clear performance standards, and help students progress to higher education. The college aims to create responsible, ethical citizens who also become skilled and successful professionals.

- 1. Academic Excellence:** The college shall continually improve academic standards through innovative teaching-learning practices, curriculum enhancement, and effective evaluation methods.
- 2. Student-Centric Development:** The institution shall promote holistic development by providing supportive learning environments, counselling, mentoring, co/extra-curricular activities, and career guidance.
- 3. Ethical and Responsible Governance:** All institutional operations shall be carried out with transparency, integrity, accountability, and adherence to regulations.
- 4. Faculty Empowerment & Professional Growth:** The college shall encourage continuous professional development of teachers through training, research support, workshops, and industry-academia collaborations.
- 5. Continuous Quality Improvement:** IQAC shall regularly review and enhance institutional processes based on feedback, performance metrics, and emerging educational standards.
- 6. Inclusiveness & Equity:** The college shall ensure equal opportunities for all irrespective of gender, caste, religion, ability, or socio-economic status.
- 7. Research, Innovation & Entrepreneurship:** The institution shall promote research culture, creativity, problem-solving, and entrepreneurial mindsets among students and faculty.
